FDC have recently completed the new Department of Education and Training fitout located at Level 7, 35 Collins Street, Melbourne.

The department is responsible for providing Victoria's overall learning and development system.

The 8,000sqm project was delivered in eight weeks and includes an open work space, collaborative areas, kitchenettes on all levels, conference/boardroom facilities and secure lockers.

This project was delivered in conjunction with JLL, PTID and Compass Engineering.
