<b>PROJECT LENGTH</b>	
<b>YEAR COMPLETED</b>	2017

## PROJECT FEATURES

State-of-the-art hearing rooms

Private offices

Open-plan offices

Space-saving compactus storage units

Kitchen breakout areas

Modern audiovisual facilities

FDC (QLD) have completed the fitout of the Administrative Appeals Tribunal's (AAT) Brisbane office, Levels 4-6, 295 Ann Street.

The Administrative Appeals Tribunal (AAT) conducts independent merit reviews of administrative decisions made under Commonwealth laws. They're responsible for reviewing decisions made by Australian Government ministers, departments and agencies.

The fitout includes state-of-the-art hearing rooms for matters held both live and via video conference along with stylish private and open-plan offices, space-saving compactus storage units, kitchen breakout areas and meeting rooms. The relocation has allowed AAT to merge two separate tenancies into one single location.
