FDC (SA) has completed the fitout of Broken Hill Community Credit Union (BHCCU), 2 Chloride Street, Broken Hill.

BHCCU employs 19 Staff that are dedicated to providing excellent service and products to our 8,000 members. With total assets of approximately \$60 million, a strong liquidity position and an excellent capital base, BHCCU is a positive and co-operative community partner.

Work undertaken included the installation of a café area, new custom glazed partitions, custom joinery, services, lighting and flooring.

The 30 week, 1,350sqm project was delivered in conjunction with Totalspace Design, Meinhardt and several trades from the local community which is in line with BHCCU's vision; community involvement.
