PROJECT SIZE	500sqm
PROJECT LENGTH	
YEAR COMPLETED	2017

PROJECT FEATURES

Bespoke joinery

Inbuilt upholstered seating

Integrated overhead LED lighting

New amenities, waiting room and staff room

Vibrant custom vinyl graphics

FDC (SA) have recently completed the fitout for Dr Jones & Partners (SPORTSMED·SA), 32 Payneham Road, Stepney.

This is the second project that FDC have delivered for Dr Jones & Partners, the first being at Eastwood (SA).

Dr Jones & Partners offers diagnostic and interventional radiology services throughout South Australia and Alice Springs. 48 radiologists and nuclear medicine physicians and 480 staff operate 24 clinics in major private hospitals, public hospitals and regional clinics.

This project included bespoke joinery and inbuilt upholstered seating with integrated overhead LED lighting. New amenities, a waiting room and a staff room were constructed and vibrant custom vinyl graphics are scattered throughout the facility which also act as practical signage for patrons.

FDC delivered this project in conjunction with Contech and W&G.
