

Gallagher

Perth, WA

CLIENT	Gallagher
PROJECT SIZE	2,000sqm
PROJECT LENGTH	6 weeks
YEAR COMPLETED	2018

PROJECT FEATURES

Open-plan office with 165 workstations

Refurbished reception area

New kitchen and breakout area

FDC (WA) have completed the fitout of Gallagher's office within Bishops See precinct on Level 2, 235 St Georges Terrace.

The building, jointly owned by Hawaiian and Brookfields, is the perfect setting for the relocation of the Gallagher team.

Working directly for Gallagher, FDC collaborated with Workspace7 to transform the 2,000sqm space into a functional open-planned office housing 165 workstations. Custom decorative wallpaper depicting WA landscapes gives the office a distinctively "West Australian" feel. Meeting spaces and a fully refurbished reception area with a clean, sleek design welcomes staff and guests to the modern office space. The kitchen and breakout area takes advantage of the views over Bishops House and the St Georges Square Courtyard.

FDC delivered this project in conjunction with Workspace7
