

Halpin Financial Services

Adelaide, SA

CLIENT	Halpin Financial Services
PROJECT SIZE	375sqm
PROJECT LENGTH	7 weeks
YEAR COMPLETED	2019

PROJECT FEATURES

Fully integrated kitchen

Feature lighting, including LEDlux wall, and highline brass pendant lights

Sit-stand workstations which include dual monitor arms

Acoustic space divider screen

Another impressive fitout has been successfully completed by our South Australian team.

A swift seven-week program saw the delivery of a new reception area, contemporary consult spaces, a large boardroom, kitchen area and open workstations for Halpin Financial Services in Adelaide.

The kitchen features fully integrated appliances, including a matte black Zip HydroTap. A mix of timber, laminate and acoustic wall panelling runs through the spaces, with other elements such as polished concrete and black powder coated aluminium door frames and skirting giving the office a stylish, modern finish.
