FDC (SA) have completed the fitout of 1/3 by NNQ's café and bar, 1 King William Street, Adelaide.

1/3 by NNQ is a Vietnamese café and bar offering from the famed family behind the Woodville (NNQ) and Gouger Street (Little NNQ) restaurants.

The project included the installation of a new kitchen, front bar and dining area in the lobby of 1 King William Street. Integrated works included new toilet amenities and keg cool rooms to service the kitchen and bar while the exposed ceilings throughout the front-of-house provide an industrial aesthetic.

FDC delivered this project in conjunction with CBRE, Bell Architecture, Lucid Consulting and Claire Kneebone.
