FDC have completed an office fitout for World Nomads Group located on Level 21 at 680 George Street, Sydney.

World Nomads Group (WNG) provide travel insurance with an intense focus on customer service, knowledge of travel technology and passion for excellence, setting benchmarks in innovation and continuous improvement across their range of online travel brands.

The 1,700sqm fitout features a new entry and reception area, breakout spaces, meeting rooms and meeting areas to facilitate a space for the WNG team to gather and discuss their current and future work commitments, targets and objectives.

FDC delivered this project over six weeks in conjunction with Greenbox Architecture.
