102 student accommodation rooms (for 408 students)

40 teachers rooms (for 72 teachers)

12 coach driver rooms (for 12 coach drivers)

A dining hall and commercial kitchen

Maintenance building and an undercover coach parking area for up to 12 coaches

FDC have undertaken the Design and Construction of Canberra Park; a student accommodation facility located on the corner of the Federal Highway & Old Well Station Road, Gungahlin.

The project is being built in three stages:

Stage 1—Student and group accommodation and food/dining hall (38,030sqm)

Stage 2—Holiday Park with all facilities, cabins and sites

Stage 3—Hotel

Overall, the development site covers 24,000sqm and is due for completion in March 2017.

The purpose built Canberra school and group accommodation and dining hall facility, will assist to meet the demand for accommodation for groups visiting Canberra.

The project is being delivered in conjunction with FreeSpirit Resort and Holiday Parks, nettletontribe and Northrop Engineers.
