

# Administrative Appeals Tribunal, Adelaide

1 King William Street, Adelaide.

CLIENT	AAT
PROJECT SIZE	2,200sqm
PROJECT LENGTH	16 weeks
YEAR COMPLETED	2016

## PROJECT FEATURES

Construction of interconnecting staircase

Zone 4 security requirements

Slab to slab security walls

Hearing rooms

Significant AV integration

FDC (SA) completed the new headquarters for the Administrative Appeals Tribunal within 1 King William Street, Adelaide.

This high security facility was completed for the Federal Government Agency within a tight timeframe.

The project scope included the creation of a heavily partitioned fitout across two levels, with full slab to slab walls, hearing rooms with integrated AV, an interconnecting staircase and a zone 4 security system.
