---

FDC (QLD) have recently completed the fitout for DCWC located at Level 11, 340 Adelaide Street, Brisbane.

Donald Cant Watts Corke (DCWC) have a long standing partnership with some of Australia's respected organisations, helping turn their ideas into reality since 1966. Their mission 'to deliver outstanding results; from ideas to reality' and values are the cornerstone of their commitment to the clients, their people and the communities in which they work.

FDC completed interior fitout of DCWC's new office within the Brisbane CBD, The fitout comprised of 800sqm in which featured a new office build, internal fitout as well as base building works.

FDC delivered this project over 6 weeks
