

Expedia, Brisbane

Queen Street Brisbane

CLIENT	Expedia
PROJECT SIZE	1,935sqm
PROJECT LENGTH	11 weeks
YEAR COMPLETED	2017

PROJECT FEATURES

- Mix of workstations and independent offices
- Meeting rooms and staff breakout areas
- Large, open reception area
- Abundance of greenery throughout the joinery units

FDC (QLD) have completed fitout works for Expedia at Queen Street, Brisbane

The fitout included the installation of workstation areas, offices, meeting rooms, staff breakout areas and a large open reception area.

Antique oak timber floors extend from the entrance through the reception area and into the open workspace which showcases a fantastic view of Story Bridge. An abundance of plants and greenery adorn the space, along with a custom neon sign fixed upon two green walls which read 'Eat, Sleep, Travel, Repeat'.

FDC delivered the fitout in conjunction with Facilitate Corporation, Gensler and Aston.
