To contend with continued growth, FDC were engaged by ING Real Estate to construct a new warehouse and office complex for LG Electronics Australia.

LG Electronics is a world-class enterprise with more than 64,000 employees, working in 72 subsidiaries around the world, marketing products in more than 180 countries.

To contend with continued growth, FDC were engaged by ING Real Estate to construct a new warehouse and office complex for LG Electronics Australia.

This complex was an extension of LG's existing facility in Melbourne's Parkwest and comprised a 6,000sqm warehouse with six recessed docks, a 250sqm office extension and 3,000sqm of external pavements / hardstands.
