

Woolworths, Belmont (WA)

227 Belmont Avenue, Cloverdale

CLIENT	Woolworths
PROJECT SIZE	3,500sqm
PROJECT LENGTH	16 weeks
YEAR COMPLETED	2015

PROJECT FEATURES

Refurbishment of the existing store

Fitout of the extension to the store

Refurbishment took place in a live operating supermarket

Multiple stages and coordination with numerous stakeholders

FDC have completed the fitout of the Woolworths store at 227 Belmont Avenue, Cloverdale Western Australia

The project involved the refurbishment of the existing store and fitout of the extension to the store.

Refurbishment took place in a live operating supermarket with multiple stages and coordination with numerous stakeholders. It was the communication from the FDC team to all stakeholders involved that contributed to the project being a major success.

The 3,500sqm project was completed in 16 weeks, on time and within budget.
